'Inbox' contains items requiring your attention. Once the activity is completed, the item will no longer appear in your 'Inbox'. Items will appear under the 'New Application' title when you need to complete an activity in order to get a new application approved. 'Post Approval' Activities' (PAAs) are items that occur after an application is approved, such as amendments or renewals. Click on the name of the item to see the details of the application or PAA. The title bar below for each application or PAA shows the ID, the Nickname, the Type of application or PAA, the PI, the current State and the date of the Last State Change on that item.
